

The practice of other States in case of Minor Minerals were discussed and was emerged that both mining and dumping of mined out minerals should be made within the granted 5 Ha. Area.

It was resolved that views of IBM would be sought on the finer point of the Draft W. B. Minor Minerals (concession) Rules 2014 and the matter should be referred to CGPB for taking up the issue of Rapid Processing for issuance of clearance certificate of MOEF.

(Action : IBM, DMMWB & C&I Dept., GoWB)

The meeting ended with a vote of thanks to the Chair.
