# MINUTES OF THE 47<sup>th</sup> MEETING OF STATE GEOLOGICAL PROGRAMMING AND ADVISORY BOARD (SGPAB), WEST BENGAL, HELD ON 17<sup>th</sup> JANUARY, 2019, AT THE DEPARTMENT OF INDUSTRY, COMMERCE & ENTERPRISES, GOVERNMENT OF WEST BENGAL, AT KOLKATA

List of Participants is enclosed in Annexure I. Proceedings of the 47th meeting of SGPAB, West Bengal :

47.01.00	Shri Puneet Yadav, I.A.S., Secretary of the Government of West Bengal,
Q	Department of Industry, Commerce and Enterprises. took the chair and
	welcomed all the delegates and dignitaries and stated that the Additional
	Chief Secretary of the IC&E Deptt, owing to his other important engagements
	could not attend and chair the meeting. He initiated the discussion on the
	mineral scenario of West Bengal with special emphasis on the energy sector
	and urged about the importance of exploitation technology in the different
	energy sectors through collective advice of the of the researchers and workers
	in the field. with an ultimate aim of industrial development of the state.
47.01.01	Shri Utpal Bhadra, Special Secretary to the Government of West Bengal,
	Department of the Industry, Commerce & Enterprises, stressed the potential
	and capability of the resources of West Bengal, mainly coal, CBM, Shale Gas,
	Apatite, Dolomite, Tungsten, Base Metal, Gemstone, Cesium, Natural Gas etc.
	and mentioned that a gap exists between the available resources and tapping
	of the said resources and also stressed the importance of exploration in the
	right direction. He specially mentioned about the occurrence of Pollucite
	(Cesium) at Purulia District and mentioned that it is the only occurrence
	reported in Asia. He requested GSI to take up plans carry out investigation for
	Cesium in G2 level. It was reported that 5 (five) exploration proposals on of 5
	major minerals are in the pipeline and they are contemplated to be carried
	out through NMET fund by MECL.
	He reiterated about the two most important mineral resources of the
-	state viz. Blackstone and Sand both of which are building materials. If the
	resources are properly utilised the same would generate a significant amount
	of revenue for the State since the resources are abundant proper exploitation
	and transportation to other States and even export could fetch further
	revenues.
L	

Comment of DMM:         The matter is under active consideration of the Task Force         47.02.02       Agenda II: (Ref. 46.02.03 of Minutes of 46th meeting of         IBM was requested to share its own database of Greenfield         the State with reference to mining activity, remaining reso         purpose of preparing both Long-term and Short-term Plan         plan period. (April, 2017 – March, 2021). It was decided th         detailed status of Brownfield areas in west Bengal to DMM         provide the Greenfield Data.         Comment of GSI:         Only one block of G4 investigation for gold. in and around         district, West Bengal has been identified. as greenfield area         is ready with GSI and can be extended to DMM, West Berg	urring in the State and r in the ground level, s. #### Action Taken by IBM:

IBM has submitted list of brownfield areas (Freehold Areas) as on 2015. It was resolved that Dept. of IC&E would to take initiative in Finalization of the Dossier that would act as the foundation of decisions on mineral auction process and long-term and short-term planning.

### (Action: DMMWB & IC&E Dept.)

In reference to the request to IBM for providing its database of Brownfield areas and GSI, ER for Greenfield areas for the purpose of preparing both Long-term and Shortterm Plans for the next five-year plan period (April, 2017 – March, 2021). GSI had submitted dossier for only one block of G4 investigation for gold in and around Rudra village, Bankura district and IBM had submitted list of brown field areas (Freehold Areas) as on 2015.

It was resolved that Dept. of IC&E would to take initiative to prepare the Dossier that would act as the foundation of decisions on mineral auction process and long-term and short-term planning.

### (Action: Dept. of IC&E & DMM)

#### Comments of DMM:

DMM has extended the Database on 'Freehold Area as on 2015 (as submitted by IBM) to Dept. of IC&E for review to finalize the Dossier on auctioning process of mineral blocks and long-term & short term planning of mineral exploration & mining, especially in respect to in-situ mineral resources.

#### Comment of IC&E:

Government is actively working on this matter and works on preparation of District Survey Reports (DSR) in the 5 (five) major districts have been taken up.

## 47.02.03 Agenda III: (Ref. 46.02.04 of Minutes of 46th meeting of SGPAB)

IBM was requested to extend the dataset of NMI pertaining to State of West Bengal for the purpose of selection of resources for auctioning of mineral blocks. It was decided that IBM would share its own database of NMI-2010 immediately and, NMI-2015 as and when prepared to DMM, WB.

(Action: IBM)

#### Comment of DMM:

IBM has extended its database on NMI 2010 and NMI 2015 to DMM containing existence of about 143 Freehold Areas in respect of Minor Mineral deposit in West Bengal.

(Action: DMMWB & IC&E Dept., GoWB)

#### Action Taken:

The information on Freehold areas had been shared with Dept. of IC&E for taking appropriate steps in utilizing the said freehold mineral resources.

## (Action: Dept. of IC&E)

## Comments of DMM:

For the selection of resources for auctioning of mineral blocks, IBM has submitted its database on NMI - 2010 and NMI - 2015 to DMM containing existence of about 143 Freehold Areas in respect of Minor Mineral deposit in West Bengal which had been shared with Dept. of IC&E for taking appropriate steps in utilizing the said freehold mineral resources.

## Comment of IC&E Dept.:

Selection of Agency through tender, for DSR of minor mineral resources has already been done for developing database to locate auctionable in-situ minor mineral blocks, along with Riverbed Mineral Resources in different district. The work is in progress.

## Comment of DMM:

The matter is under progress. Process of exploration of in-situ minor mineral resources has already been started by DMM, through e-tender process for selection of Exploration Agency.

47.03.00	REVIEW OF WORK DONE BY DIFFERENT MEMBER ORGANIZATION (2018-19)
47.03.01	Progress of work during 2018-19 was briefed by representatives of the
47.00.01	respective organisations viz. DMM, WBMDTCL, GSI, ONGC MBA Basin and was
	accepted by the house.
47.04.00	The proposed programme (2019-20) of different member organizations were
	briefed by representatives of DMM, WBMDTCL, GSI, ONGC - MBA Basin and was
	briefed by representatives of DMM, WBMDTCL, GSI, ONGC - MBA Basin and was approved by the House.
	briefed by representatives of DMM, WBMDTCL, GSI, ONGC - MBA Basin and was approved by the House.

(Action : All Member Organizations) DELIBERATION & PRESENTATION BY MEMBER ORGANIZATION A Power-point presentation was given by Shri A.K. Huin, Director, GSI on the significant findings of mineral resources of GSI in West Bengal and expressed that it
47.05.00	briefed by representatives of DMM, WBMDTCL, GSI, ONGC - MBA Basin and was approved by the House. (Action : All Member Organizations DELIBERATION & PRESENTATION BY MEMBER ORGANIZATION

	Another Power-point presentation was given by Shri P. Roy, Chief Geologist of ONGC
	MBA Basin on the discovery of Oil & Natural Gas in Ashokenagar, West Bengal and highlighted the Techno-commercial and economic prospects of the findings in the coming days. Since this is the first discovery of oil & gas after 60 years of exploration
	in Bengal Basin, it was well appreciated by the House.
47.06.00	DISCUSSION ON AGENDA POINTS
47.06.01	Agenda 1 : Issue of Exploration & Mining of Rare Metal
	DMM, in recent past, has entered into a Tripartite Agreement with NMET & MECL or exploration of Mineral resources using the NMET Fund.
	Review of established resources has already done by DMM and a total of 5(five) project proposals on [Apatite, Rare Metal & Lead and Zinc multi metal Resources] have been selected for submission to NMET. The process of finalizing the project proposals are in progress.
	Now, in considering that the auctionable mineral block of Rare Metal has been established by MECL, the Revenue deposit in respect of royalty of Rare Metal on mining, may face hindrance since the rate of Royalty in respect of Rare Metal (Cesium) has not yet been fixed by GoI.
	Therefore, IBM may be requested to comment on the issue and to take initiative towards fixation of Royalty of Rare Metal [Pollucite (ore of Cesium)].
	Further, IBM may be requested to comment on the available metallurgy, in commercial scale, for extraction of Rare Metal (Cesium) together with Rubidium and Lithium of the Pollucite (as reported by GSI).
	(Suggestion: DMI
	The point was well taken by the house and it was resolved that the matter
	would be referred to 58 <sup>th</sup> meeting of CGPB for discussion and appropriate
	decision in this regard.
	(Action DMM & IC&
47.06.02	Agenda 2 : Issue of possibility of WBMDTC ltd. as prospecting Agency in Wes
11100102	Bengal.
	Govt. of India, Ministry of Mines has notified WBMDTC Ltd., vide No. 16/08/2015- M.6 (Pt.1), dated 24.10.2017, as one of the Public Sector Entities for taking up prospecting operation under the second provision of Sub-section 1 of section 4 of
	MMDR Act, 1957. House may explore the possibility of engaging WBMDTC Ltd., in different prospecting works within West Bengal.
	(Suggestion: WBMDTC

	Comment of DMM:
	Issue may be discussed in the House.
	WBMDTC Ltd expressed their desire to explore both Major and Minor minerals in the State and also outside the State. Further they expressed that they may be allowed to carry out exploration work through NMET fund.
	WBMDTC Ltd may take the exploration work of Minor minerals, following the Guidelines of exploration of Minor Minerals, to be notified in near future, subject to approval of the Government. In case of exploration of Major Minerals, since the matter is under the purview of Ministry of Mines, GoI, any specific proposal of WBMDTCL would be referred to MoM, GoI.
	It was resolved that the proposal of WBMDTCL on undertaking mineral
	exploration utilizing the NMET Fund will be referred to MoM for comment on the
	issue.
	(Action : WBMDTCL & ICE)
47.06.03	Agenda 3 : Issue of Exploration of Apatite by GSI to upgrade the resources as
47.00.03	per UNFC.
	GSI may be requested to take up their programme for upgradation of Apatite deposits
	as per UNFC already established by them.
	(Suggestion: WBMDTCL)
	Comment of DMM:
	DMM has already decided to prepare exploration proposals of the Apatite Resources of Chirugora, Purdah and Panrkidih of Purulia district for submission through NMET fund, and the same will be submitted shortly. It is to be undertaken by MECL as per the Tripartite Agreement made amongst DMM, NMET & MECL.
	WBMDTC Ltd. may interact with GSI to develop G2 level database (As per UNFC) of the remnant resource of Beldih area of Purulia district, in considering the technical knowhow of upgrading the low grade Apatite ores to suitable level for commercial marketing.
	It was resolved in the house that as GSI has expressed their inability at present to carry out exploration work in the said areas would be undertaken by MECL b utilising NMET fund for the benefit of the State.
	(Action: DMM & IC

Jan .

	47.06.04	Agenda 4 : Issue of Grant of extension of PEL in favour of ONGC-CIL consortium.
		The PEL fees, after obtaining recommendations on grant PEL extension from MoPNG,
		GoI for the period from 08/12/2012 to 08/06/2017 vide letter No. F.No.
		11019(18)/616/2017-EXPL-I-PNG, E-13976, dated 11/10/2017, has been submitted
		on 08/06/2018.
		Dept. of IC&E is requested to issue the grant order of PEL extension in favour of
		ONGC-CIL consortium for the period 08/12/2012 to 08/06/2018 at an early date.
		(Suggestion: ONGC-CIL consortium)
		Comment of DMM/ IC&E:
		Issue may be discussed in the House.
		The issue could not be discussed in the house as there was no representative
		of the said organization.
	47.06.05	Agenda 5 : Issue of Grant of PML in favour of ONGC-CIL consortium for 311.79
		sq.km. area by Govt. of WB.
		A consensus has been arrived between ONGC-CIL consortium and BAPL on
		the issue of exploration and mining activity in the overlapped area of CBM as per
		mutually agreed terms and conditions between ONGC-CIL consortium and BAPL.
		Govt. of WB is requested to issue approval of PML in favour of ONGC-CIL consortium,
		in respect of an area of 311.79 sq. km., as per earlier application on the strength of
		said agreement.
		(Suggestion: ONGC-CIL consortium)
		Comment of DMM/ IC&E:
		Issue may be discussed in the House.
		The issue could not be discussed in the house as there was no representative
		from the said organization.
	47.06.06	Agenda 6 : Issue of EOI floated by ONGC-CIL consortium for implementing FDP
		activities in Raniganj CBM Block.
		ONGC-CIL consortium has floated an EOI on 08/08/2018 for implementing FDP
		activities in Raniganj CBM block. However, in order to make it under smooth workflow,
		ONGC-CIL needs grant of extension of from GOWB, in term of the agreement executed
		between ONGC-CIL consortium and BAPL, at an early date.
		(Suggestion: ONGC-CIL consortium)

	Comment of DMM/ IC&E:
	Issue may be discussed in the House.
	The issue could not be discussed in the house as there was no representative
	from the said organization.
47.06.07	Agenda 7 : MECL desires to take up exploration programme on Base Metal Ore
	in the adjoining area of Gorubathan in forthcoming year.
	In this regard, MECL seeks comment of Govt of West Bengal to proceed.
	(Suggestion: MEC
	Comment of DMM:
	It is a welcome issue, DMM is shortly submitting project proposal on Exploration of
	Lead and Zinc around Gorubathan area of Kalimgpong district, WB. to NMET along
	with 4 other projects, for undertaking it by MECL as per Tripartite agreement.
	The issue could not be discussed in the house as there was no representative
	of the said organization.
47.06.08	Agenda 8 : Issue of resolving overlapping areas of Coal mines between ECL &
	GEECL.
	Overlap of coal bearing areas (6 coal mines covering 22.17 sq. km. area) AND
	Dhangajore, Modhukunda Coal blocks is a burning issue since long. Despite the
	direction of Ld. Court rejecting the write petition of GEECL, the work of ECL is being
	obstructed by GEECL.
	Govt. of WB is requested to look into the matter to resolve the issue.
	(Suggestion: EC
	Comment of DMM /IC&E:
	Issue may be discussed in the House.
	The issue could not be discussed in the house as there was no representative
	for the said organization.
47.06.09	Agenda 9 : Miscellaneous Issues
	1. GSI expressed that an investigation programme on Rare Metal in the area
	around Khatanga of Purulia district, West Bengal has already been approved
	for the year 2019-20 and so, DMM may look into matter while sending the
	Project Proposal on Rare Metal to NMET.

In

	It was resolved that DMM will revise the Proposal on Rare Metal
	Exploration to NMET excluding the Khatanga area to avoid duplication of
	work.
	(Action : DMM, WB & Dept. of IC&E)
	2. WBMDTC Ltd. expressed that it would like to be a Member of CGPB for having
	a close interaction with MoM and other Stakeholders for better functioning.
	It was resolved that the matter will be looked into by the Government of
	India.
	(Action : Dept. of IC&E
